One Sri Satya Narayan Sahu, tenderer filed objection petition stating that his tender for the project at Sl. B above has not been accepted and not allowed to participate in the lottery where as his tender with same documents has been accepted for work at Sl. No. A above. On scrutiny it is observed that his tender for

the work at Sl. No. B above has been rejected by the tender committee held on 23.03.2018 due to non submission of requisite documents. The proceeding of tender committee duly approved by the Collector, Kalahandi has been communicated to all concerned through office notice board and also hosted in the website i.e. www.tendersodisha.gov.in on 03.05.2018. But the tenderer did not file any objection at that time and filed such objection during lottery on 12.06.2018. The objection has no merit and as such it is rejected.

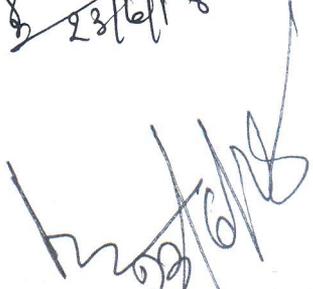

The meeting ended with vote of thanks to the Chair.
