

OFFICE OF THE PANCHAYAT SAMITI, DHARAMGARH, KALAHANDI

No. 2143 / Date. 10 / 06 / 2026.

QUOTATION NOTICE

Sealed quotations are invited from intending registered suppliers for the supply, installation, testing and commissioning of a 3 KW On-Grid Roof-Top Solar Panel System (RSPS) of a standard brand with net metering facility and provision of battery backup at KGBV, Behera. The estimated cost of the work is Rs. 5,00,000/- (Rupees Five Lakh only) as per the project approved under Samagra Shiksha, FY 2023-24, vide Order No. 2172 dated 07.06.2024 of the Collector-cum-CEO, Zilla Parishad, Kalahandi.

The quotation should reach the undersigned by 05.00 P.M. on 24.06.2026 and the same will be opened at 10.30 A.M. on 25.06.2026.

Terms & Conditions: -

1. All items shall strictly conform to the approved technical specifications, drawings and quality standards mentioned in the Purchase Order.
2. The supplier shall submit the Pre-Dispatch Inspection (PDI) Report prior to dispatch of materials. Shipment shall be subject to successful completion and acceptance of the PDI by the purchaser.
3. The supplier shall supply the exact quantity ordered. Any shortage or excess supply without prior written approval may be rejected.
4. The quoted rates shall remain firm and fixed throughout the contract period and shall include packing, forwarding and transportation charges unless otherwise specified.
5. All applicable taxes, including GST, shall be clearly indicated in the invoice.
6. Payment shall be released within 30 to 60 days after submission of a correct invoice and successful inspection and acceptance of the materials.
7. In case of delay in supply beyond the stipulated period, a penalty at the rate of 0.5% per week, subject to a maximum of 10% of the total order value, may be deducted from the payable amount.
8. Any item found defective, damaged or not conforming to the prescribed specifications shall be rejected at the supplier's risk and cost. Such items must be replaced within the period specified by the purchaser.
9. The supplier shall provide a warranty for a period of five (05) years from the date of commissioning. During the warranty period, any defect arising due to poor workmanship or defective materials shall be rectified or replaced free of cost.
10. All materials shall be properly packed to prevent damage during transportation, particularly from moisture, shock or corrosion.
11. Neither party shall be held responsible for delays caused due to force majeure events such as natural calamities, war, pandemics, etc. The purchaser reserves the right to cancel the order if the supplier becomes insolvent or violates any material terms of the agreement.
12. The solar power system should be designed to achieve an expected payback period of approximately five (05) to seven (07) years under normal operating conditions.

13. Any dispute arising out of this order shall be resolved through mutual discussion. Failing such resolution, the matter shall be referred to arbitration as per the applicable laws in force.
